Triennial Assembly of the General Grand Council

Greetings Companions,

After deliberation and due consideration to the many contributing factors affecting the Triennial Assembly, the Trustees of the General Grand Council of Cryptic Masons, International hereby announce that:

1. The Triennial Assembly will only be a virtual meeting utilizing Zoom.
2. The date of the meeting is hereby set to Saturday, September 26, 2020.
3. Details for registration and participation will be distributed by July 15, 2020.

We feel this is the best and most prudent way to protect the safety, health and wellbeing of our members and their loved ones. This was a decision made after much discussion and deliberation on our part and it is just the right thing to do, in our opinion.

We would like to thank the members of the Triennial Committee for the hard work in putting forward your best efforts to plan this Event. We are disappointed that the current health crisis has led us to the point of having to make this difficult decision but our members and their families will always come first.

Sincerely and Fraternaly,

David A. Grindle
