Due to stay at home restrictions for the Coronavirus, the Companions had an informal discussion from their homes using ZOOM technology. Only noteworthy topics related to York Rite are included in this communication.

Knights of the Quarantine medals have arrived to all that ordered one.

Companion Mathew Shelton showed everyone the plaque that Companion Stephen Britton will be receiving for St. Omer Commandery No. 19, Knight Templar of the Year, 2019. The plaque was made by Companion Ryan Wojicechowski and his wife Marina. Next year's award will be an actual medal.

Companion Mathew Shelton indicated that he would like to have Companion John Jenks become an honorary member of Wausau Chapter No. 51. He would also like to see Companion Leroy Kifer and Sir Knight Parker Dow become honorary members of St. Omer Commandery No. 19. There was discussion and the thought was that Sir Knight Parker Dow may already be a member of Wausau Commandery (and possibly Chapter and Council). We could present them with a plaque that would be made by Companion Ryan Wojicechowski and his wife Marina. Companion Mathew Shelton will bring this honorary gesture to the group once we are able to meet and vote on the request.

Let it be known that Companion Dean Swett was trying to log into the meeting. At the time he was doing this, the host of the meeting had already left. The remaining Companions were unable to figure out how to get Companion Dean Swett connected to the meeting.

Respectively Submitted
